

Guaranteed Dates FRESH ITEMS

(v1.9b)

To all customers and members,

Freshness is our #1 goal at Ontario Natural Food Co-op. The figures listed below indicate the number of days our products are guaranteed to be fresh **from the date your product leaves the ONFC shipping dock** (not when it is received at your location). These guidelines were developed based on the freshness guarantee information provided by our suppliers. Should you receive items shipping with less than the guaranteed minimum, please refer to our credit claims procedure and/or contact your Inside/Outside Sales Rep or our Credit Department.

Sincerely,
Your ONFC Team
